Sun, 16 Sep 2018 04:51:00 GMT - The subjects of The Witching Hour and Stephen King's horror novel couldn't be more different, but the writing style - its grandiosity - is quite similar. In this, surely the New Orleans author's magnum opus , a time span of three centuries is covered; this is the quintessential generational saga.

Wed, 10 Oct 2018 20:29:00 GMT - As the name suggests, the witching hour is the time of day that people believe that these supernatural beings are most active and powerful. Many different communities have different hours of the day they refer to as the witching hour but the generally accepted time is between 3 a.m. and 4 a.m. Others believe that it is at midnight mainly because it is a special time when the day actually begins.
