Tue, 09 Oct 2018 01:32:00 GMT - A national myth is an inspiring narrative or anecdote about a nation's past. Such myths often serve as an important national symbol and affirm a set of national values. A national myth may sometimes take the form of a national epic or be incorporated into a civil religion. A group of related myths about a nation may be referred to as the national mythos from ἡμῶν ἱστορία, the original Greek word ...
