This special edition completed with other document such as :

the stripped series pdf -

Thu, 11 Oct 2018 01:52:00 GMT - Strip programming or stripping is a technique used for scheduling television and radio programming to ensure consistency and coherency. Television or radio programs of a particular style (such as a television series) are given a regular time slot during the week, so that it appears as a strip straight across the weekly schedule. For example, radio and television broadcasters may program a news ...
