Sat, 11 Aug 2018 03:25:00 GMT - Luck is the experience of notably positive, negative, or improbable events. The naturalistic interpretation is that positive and negative events happen all the time in human lives, both due to random and non-random natural and artificial processes, and that even improbable events can happen by random chance. In this view, being "lucky" or "unlucky" is simply a descriptive label that points out ...
